

Polyester PU spring tube

Polyester PU spring tube

Material: made of polyurethane (PU) material

Working pressure range: 0-9kgf/cm2

Operating temperature range: -20~70°C

Product Features

- 1. Made of polyurethane raw materials, wear-resistant, flexible, and have a small bending radius
- 2. Hardness range: 80A~98A
- 3. Color type: red, other colors can be customized
- 4. The larger the pipe diameter, the lower the working pressure
- 5. As the temperature rises or falls, the pressure resistance will gradually decrease; the lower the temperature, the pipe will become harder and fragile, and the pressure resistance will gradually decrease.

Polyester PU spring tube

Specification

Item No.	OD	ID	colour	Unit	length
Spring tube PU0604	6	4	red	PCS	6m、9m、12m、15m
Spring tube PU0805	8	5	red	PCS	6m、9m、12m、15m
Spring tube PU1065	10	6.5	red	PCS	6m、9m、12m、15m
Spring tube PU1208	12	8	red	PCS	6m、9m、12m、15m

好品质，看得见

管径公差小

公差控制在±0.05MM之内

规格齐全
种类多样

光滑无毛刺

做工平整 选高品质材料 光滑平整 色泽明亮

多种规格可选

适用于多种场合 应用范围广

EXQUISITE QUALITY

严格工艺精湛品质

更精密的工艺更高品质的产品
